# SOUTH HAGERSTOWN STUDENT COUNCIL

"The purpose of the Student Council is to give students the opportunity to practice cooperative interaction with peers and adults. They make decisions and carry out plans that serve the school. During the year they supervise elections and many activities. The hard core activist section of the council seems to grow each year and the actual participation exceeds my expectations."

# The Rebel Band

"This year the Rebel Band has been active in many ways. During the month of August the band put together both their half-time and pre-game shows. While being featured at South High's football games the band also found time to compete in both the Red Land Tournament of Bands and MD Band Day. They performed in the

Showcase of Bands and also marched several parades including the Hancock Parade, the Mummers Parade, the Mall Christmas Parade, the Appleblossom Parade, and the Armed Forces Day Parade. The band also presented their annual Christmas and Spring Concerts. The band is directed by Mr. Brad ("Uncle Fred") Smith."

"The Varsity Football Team's overall record was disappointing this year. Our players never disappointed us, though, and alot of progress was made throughout the season. The brightest moment of our season was the great win over North. We dominated that game both defensively and offensively. The one thing I learned as head coach was to be patient, and only attempt what your players are capable of doing. Next Fall, we should have a good team if our players work hard in the off season. Their are some very good Sophomores and Juniors."

"Our victory over North was the hi-light of the season. We responded to the challenge, played as a team, and came out victorious. Finding the right mixture of confidence, competitiveness, desire, attitude, leadership, and willingness to work is sometimes difficult to find in one player let alone a team. We were fortunate enough to find those qualities this year. As the season progressed we gained more confidence and played much better as a *team*. This year's group didn't know the word *quit*. These guys proved that they have what it takes to be winners. I'm proud of their efforts and proud to have been associated with them."

Diane Sweeney means business

The Girls Varsity Volleyball Team did not have a winning record this year, but they showed much potential. Injuries from key players was a team battle this year. But our win-loss record does not reflect the successfulness of our season. I had the pleasure of working with an outstanding group of young ladies. They all got along well and really put forth their best effort.

Due to the inexperience of this years J.V. Volleyball Team, we did not see too many wins. However, this group flourished in many significant areas as the season progressed. "This year's Golf Team had a winning season. Because of the attitude of all the team members, we had a successful season, a victory over North, and we completed the season third in the Tri-State League. This qualified our team for the State Golf Tournament at College Park. The top four players who represented South High were Ken Lampart, Chuck Bates, Jay Plummer, and Joe Craig. Next year's group should be stronger since we are only losing two seniors. Our strength depends on how much practice is put into the game during the off-season."

# The Rebels Get A New Leader

# “ . . . Like A Homecoming.”

Coming to South High was like a Homecoming to Mr. Martin. It was exciting to see the children he once had in middle school growing and maturing into young adults. It was also a thrill to meet new students. He has enjoyed his first year and hopes that South High will be the best school around.

Mrs. Mirable was born in Sicily, Italy and immigrated to the U.S. in July 1961. She was married this year on March 12.

Miss McCleat taught in Virginia for 3 years before coming to South High. She enjoys ballet & ballroom dance, golf, needlework and her cats!

Miss Meredith taught many of us at Western Heights Middle School. She loves traveling and camping. She has camped in Yellowstone, the Tetons, the Grand Canyon, the Smokies and many others. She looks forward to a really good year next year.

Ms. Cartwright worked at Grove Manufacturing before teaching at South High. She was a Technical FORTRAN Programmer in the Engineering Department.

R.A.C. presents teacher's night

"The Rebel Action Council does many things to help aid the school. This year they have purchased the new Apple II computer, organized teacher's night, raised money to fund Senior Tea and held dances. The Rebel Action Council also awards two scholarships for \$250 each to academic students. We appreciate all the things they do for us."

## Parents Offer Their Support

# Chorus Boosters Boost The Chorus

President Carol McCardell

Chorus Teacher Ms Meredith

"The Chorus Boosters' main purpose is to support the chorus teacher and all members. They have made many contributions this school year, such as musical scholarships and paying expenses for three All State members and a gifted and talented member. Another big contribution they made was purchasing new chorale shells to be worn in concerts. The whole chorus fully appreciates all of their time and effort to make the chorus it's very best."

## QUIDNUNC 1983

We would like to thank this year's Quidnunc staff for all the time and effort that they put into the production of this book. Also, since we both will be leaving staff this year, we would like to thank our advisor, Miss Barr, for guiding us through two headache-filled, but very rewarding years as members of the Quidnunc staff. We would like to wish the best of luck to next year's editors, Sheryl Eckel and Brad Nigh. We hope that you will find the experience as beneficial as we have found it to be.

To the Class of 1983, we wish much luck and happiness. We hope that in the future years, wherever you are, you can remember your senior year at South High with fondness through this yearbook.
